

The Gym Group – Additional Terms for Student Memberships

Introduction

The following terms apply to the student fixed-term membership product (“Student Membership”) sold between 13 August 2018 and 31 October 2018. These terms are in addition to our standard Membership Agreement and Terms and Conditions (<https://www.thegymgroup.com/legal/>) and our Privacy & Cookie Policy (<https://www.thegymgroup.com/privacy-cookie-policy/>), which also apply to the Student Membership.

By completing the joining process at our website and becoming a member of The Gym with a Student Membership you are accepting all the terms and conditions in this document. You should only join if you have read them and accept them.

Additional Terms

1. The standard Student Membership can be purchased for a one-off payment of either £109 or £139, depending on the Gym location. This price includes a £20 joining fee and applicable VAT. Please see our website for individual Gym pricing (<https://www.thegymgroup.com/find-a-gym/>).
2. The Student Membership fee is non-refundable, except within the initial 14-day statutory period. For your cancellation rights please refer to “Ending your Membership” in our main Membership Agreement (<https://www.thegymgroup.com/legal/membership-agreement/>).
3. No other discount can be used in conjunction with the Student Membership. Specifically, joining fee promotions available for monthly membership products do not apply to the Student Membership product.
4. To be eligible to purchase a Student Membership you must confirm that you are in Full or Part-time education and will provide proof of this status when requested. If you are unable to provide proof, we reserve the right to cancel your membership with immediate effect and without refund.
5. In addition to the standard Student Membership there are two optional bolt-on products that may be purchased:

Additional Gym bolt-on

- a. The “Additional Gym” bolt-on can be purchased for a one-off upfront payment of £10 and will last for the lifetime of your Student Membership. This bolt-on can only be added when you first purchase your Student Membership. It cannot be removed or refunded once purchased. If you purchase the “Additional Gym” bolt-on, you can choose any gym as your additional gym. However, if over the course of your membership you choose a gym where the student membership is more expensive than your home gym, and you visit the additional gym more frequently than your home gym, we will charge you for the difference

in price at the end of your membership term. You can change the location of your additional gym via the online Member Area and will be charged an administration fee of £5 each time you do this.

Unlimited Fitness & Body Composition Measurement bolt-on

- b. The “Unlimited Fitness & Body Composition Measurements” bolt-on can be purchased for a one-off upfront payment of £15 and will last for the lifetime of your Student Membership. This bolt-on can only be added when you first purchase your Student Membership. It cannot be removed or refunded once purchased. The fitness & body composition measurements will be provided by our in-gym FitQuest machine, available in every gym. To take a measurement please use your PIN code to unlock the FitQuest machine and then follow the on-screen instructions. You can take measurements as regularly as you wish during the lifetime of your Student Membership, but please note that your account will be configured to your unique data (date of birth, height, gender etc) so the results are only applicable to you, and your PIN must not be shared with other Gym users at any time (see <https://www.thegymgroup.com/legal/the-gym-membership-rules/>).
6. The standard Student Membership and associated bolt-on products are available at open gyms only and some exclusions may apply. The products have limited availability at each gym and we reserve the right to remove the Student Membership and bolt-on products from individual Gyms at any time and without notice.
7. At some locations, after the initial 9-month fixed term period your membership will automatically roll onto a monthly Direct Debit payment at the price detailed when you joined. Any additional bolt-on products that you purchased will continue to be available to you for no extra cost for the lifetime of your Student Membership. You will be notified 1 month prior to your first direct debit payment being taken. Once on a monthly Direct Debit you can cancel at any point and without further cost; for your full cancellation rights please refer to “Ending your Membership” in our main Membership Agreement (<https://www.thegymgroup.com/legal/membership-agreement/>).
8. We may make reasonable changes to the Gym Membership Rules and the Membership Agreement at any time. It is your responsibility to check online at regular intervals for changes to these documents.
9. You should print a copy of these Additional Terms for future reference.
